World Apostolate of Fatima

ST. PAUL AND MINNEAPOLIS ARCHDIOCESAN DIVISION
A Canonically Approved Apostolate of the Catholic Church

NATIONAL PILGRIM VIRGIN STATUE TO TOUR ARCHDIOCESE IN APRIL

Our Lady came to Fatima in 1917 to give us a plan for peace, to stop the spread of atheism and moral decline in our nations, and to obtain God's blessings for the whole world. Now she comes to the Archdiocese of St. Paul and Minneapolis in spirit, to bring her message from Fatima again, which Blessed Pope John Paul II said is more important now than ever.

Nearly 30 parishes and schools in the Archdiocese will host the National Pilgrim Virgin Statue of Our Lady of Fatima during the month of April on the first-ever pilgrimage to the Twin Cities other than a visit to our Marian Congress last year. (The International Pilgrim Virgin Statue was here in 2002). After an evening at the Carmelite Monastery of Our Lady of Divine Providence in Lake Elmo, the Pilgrim Virgin Statue will again grace our Marian Congress on Saturday, April 6th, at the Church of St. Joseph in West St. Paul, and then begin traveling around the Archdiocese.

"Are you suffering a great deal? Do not lose hope, I will not forsake you."

- Our Lady of Fatima

Blessed by Pope Paul VI in Fatima on May 13, 1967, and given to our country by the Bishop of Fatima, the National Pilgrim Virgin Statue of the USA was entrusted to the World Apostolate of Fatima to travel throughout the United States and its territories as on a pilgrimage, spreading the Message of Fatima and bringing the graces of Fatima to the American people. It is considered to be one of the most beautiful statues of Our Lady in America. That is no surprise given that the statue is an exact replica of one sculpted at the request of the Bishop of Fatima in 1947, with the assistance of Sister Lucia dos Santos.

What a monumental opportunity for our Archdiocese to be able to honor Our Lady during the Year of Faith and to bring to her all of our concerns about our nation, our families, and our personal requests for the

graces we need to be her instruments during a time when so few are willing to say "yes" to her Divine Son.

All parish pastors received a letter last October from our Spiritual Director, Fr. John Gallas, inviting them to be a host parish. Currently there continue to be openings in all four regions of the Archdiocese. The Board of Trustees has developed a Parish Hosting Kit to help parishes plan their special day with Our Lady. Each parish is asked to assign a coordinator, who under the direction of its pastor, will be the liaison between the parish and our NPVS Committee so as to ensure that all the details are in place for welcoming Our Lady (in some parishes, the pastor has agreed to be the liaison). Mr. Bill Sockey, the National Statue Custodian who travels with the statue, is prepared to give talks on Fatima to adults and school children at parishes and schools and assist during the visit. A member of the NPVS Committee will also assist in your planning and preparations.

NPVS tour publicity begins in February, and we hope to have a full schedule of host parishes in place by the end of the month.

If you would like to have Our Lady visit your parish or school, please contact us at 763-502-0792 or info@fatimaonline.org.

BRINGING FATIMA TO THE YOUTH

BY FR. JOHN A. GALLAS

The vehicle for transmission of the Fatima message is the Church's evangelizing work. Get in, turn the key, and away we go! Christ said that we become His disciples when we take up our cross, and that as His disciples we will bear fruit that will last. Pray the Rosary, do penance, and offer your troubles for the conversion of souls. It will work. This is the Message of Fatima and also part of the core of the Gospel.

The youth apostolate is sometimes like seed scattered on unwholesome ground. The scorching sun, hungry birds, and shallow soil constantly threaten, and yet there are also many signs of hope! Consider the vast crowds of youth attending World Youth Day. Consider the Catholic homeschooling movement, new Catholic schools and universities faithful to the Gospel, new youth movements such as the Cathedral Young Adults group, and countless other signs of life and holiness. And so, let us frame our question thus: "How do we *continue* to spread the message of Fatima effectively to the youth, and become even more effective?" I would propose three essential keys:

First, practice charity. To love, the first thing to do is be present to the beloved. Fathers and mothers need to spend time with their kids. Priests will find the fruitfulness of their ministry greatly expanding by making time to be with the children, youth, and young adults in their parishes. Children today, like children of the past, can see through a phony. They have no need or desire for adults who pretend to be something they are not. In the tradition of St. Don Bosco, genuine interest and love, demonstrated by being present, is 90% of evangelization.

Second, remember Mary's words at Champion, WI in 1859: "Gather the children in this wild country and teach them what they should know for salvation. Teach them their catechism, how to sign themselves with the Sign of the Cross, and how to approach the sacraments; that is what I wish you to do." Our country is wilder now, in a sense, than in 1859. The unadulterated Gospel is the only antidote. In my experience as a pastor, youth who are loved and respected will rarely have

difficulty accepting the Church's teaching as outlined in the Catechism. Even the teachings regarding marriage and openness to life, so puzzling to the secular mind, are most often accepted peacefully and lived joyfully.

Third, don't be afraid of the liturgy. You might say, "Who would ever be afraid of the liturgy?" But after decades of liturgical abuse committed in the name of relevance, I do believe that many Catholics have a fear-induced belief that while the Catechism is indeed relevant, the liturgy is flat and needs to be spiced up. Nothing could be farther from the truth!

God carefully instructed Moses how to offer sacrifice, and told Solomon not to vary from the temple blueprint, because: "They worship in a copy and shadow of the heavenly sanctuary, as Moses was warned when he was about to erect the tabernacle: See to it that you make everything according to the pattern shown you on the mountain." (Heb 8:5) Holy Mass is no copy but a sacramental participation in the real heavenly sanctuary, and its pattern is carefully given in the Church's documents.

These documents speak of prayerfulness, beauty, reverence, fidelity, adherence to prescribed ceremonies, and Gregorian chant. When I experienced temporary hearing loss (no, I am not exaggerating) after concelebrating a youth conference Mass in 2008, I had to ask myself: "Have we really formed our people to believe that the Church's tradition of Gregorian chant is so impoverished that the Mass needs a beat to become relevant?" In contrast, in the summer of 2012 at another youth retreat, we tried English-language chants of the Introit and Communion, and the Missal ordinary with a little Latin mixed in. No hymns, no instruments, just the native soundtrack of the Mass. At the first Mass, a chapel full of teenagers sight-read the chanted music. By week's end they had mastered it. On the way home, they confronted me: "Why can't we have music like that at our parish?" (We can...) In giving them the Church's liturgy, we give them Christ Who loves them.

PRESIDENT'S MESSAGE

With a grateful heart I greet you as the new president of the World Apostolate of Fatima: grateful, because I know that Our Lady is with me and our new Board of Trustees as we move forward doing her work. Just a short introduction: my husband and I have been married nearly 20 years and have three children, ages 11, 16 and 17. Our family belongs to St. Charles Borromeo parish in St. Anthony. This is my sixth year on the Board during which I have served as vice president and treasurer, as well as coordinator of communications and the Marian Congress. Taking on this new position of responsibility felt heavy and burdensome, which can be the case in any area of life. But in praying about the work and mission of our Apostolate, Our Lady has made it clear that there is great joy in serving her. She needs each of us to be open and willing vessels that will reflect the light of Christ in an ever-darkening world, and she will dispense the graces we need to be all that we are called to be. "My yoke is easy, and My burden light," Jesus said, inviting us to take the yoke of obedience to His word and we will find rest.

Barb Ernster

On that note, I am pleased to reflect on our upcoming events—namely the Marian Congress on Saturday, April 6, 2013, at the Church of St. Joseph, from which the National Pilgrim Virgin Statue of Our Lady of Fatima will begin a full month-long tour around the Archdiocese. This is the first time the statue will be in our Archdiocese, aside from our Marian Congress last year. In 2002, the International Pilgrim Virgin Statue visited, as many of you may recall.

The timing of this visitation is providential—it is the Year of Faith—a perfect year to give our "fiat" to the Blessed Mother and Our Lord Jesus. Our Archdiocese has launched a Rediscover initiative to evangelize and catechize the local Church. We want to participate in this mission as much as possible with our

prayers, sacrifices, and willingness to evangelize the message of the most pure Virgin who came to earth with a plan of peace. "My Immaculate Heart will be your refuge and the way that will lead you to Christ." What beautiful and gentle words for our times that many need to hear.

As to my goals during my year as president, I am so pleased to follow in the footsteps of two wonderful presidents, Don Fier and Connie Schneider. Both have taught me valuable lessons in humble leadership.

We are always aware that our Apostolate is aging and like many other good ministries, we want to bring this message to the next generations. Fr. Gallas discusses this issue in his Spiritual Director's column on page 2. Connie started *Children of the Eucharist* for that same reason. Don revisited our policies and operations and brought them up-to-date, instituted an annual Morning of Recollection for Board members, and focused on strengthening our core programs—Fatima Prayer Cells, Five First Saturdays Devotion, and Vigils of Reparation.

I hope to build on their foundations and continue to explore new means of communication, new ways of bringing our programs of prayer and reparation to more people, and research additional programs that may be necessary to reach those people. Our Lady goes where she wants to go, and she will take this Apostolate where it needs to go. I appreciate your comments, suggestions, your prayers, and your confidence. Please feel free to contact me any time at 763-502-0792 or at barbernerster@comcast.net.

In the Hearts of Jesus and Mary,
Barb Ernster

P.S. We are currently seeking to fill a Board position. This is a working Board, meaning that all members are involved in some area of the Apostolate, with the promise that you will not be overwhelmed. We are only volunteers. In addition, we are seeking someone who has some computer/website skills—whether that be as a Board member, or someone in the background assisting us. Please prayerfully consider whether Our Lady is calling you to this mission, and contact me at the number/e-mail above.

MARIAN CONGRESS WILL FOCUS ON STRENGTHENING OUR COMMITMENT TO CHRIST AND HIS MOTHER IN THE YEAR OF FAITH

Many people are familiar with the book, *33 Days to Morning Glory*, a preparation for Marian Consecration based on St. Louis de Montfort's *True Devotion to Mary*, written by Fr. Michael E. Gaitley. The main reason for writing the book, he summarized, is that Marian consecration is "the surest, easiest, shortest, and most perfect means" to becoming a saint, and truly a blessing. "If we want to become more fully Christ, then we need to belong more fully to Mary," he writes. "By going to her and remaining with her, we allow her to accomplish her mission in us... But how do we do this? Simple. We say yes, just like she did."

In this *Year of Faith*, it seems appropriate that we give our "fiat" to Mary, and hence, to Jesus, as a sign of our total trust in her guidance and in His Divine Providence, despite much uneasiness about our world and difficulties in remaining true followers of Christ and His Church.

We are pleased to welcome Bishop Lee Piché as our keynote speaker on the theme of our Congress, "A Time for Faith – A Time for *Fiat*." Bishop Piché will also celebrate the Opening Mass at 8:00 A.M. Our second morning speaker is Fr. Thomas Dufner, Pastor of Epiphany Church of Coon

Rapids. Fr. Dufner is well-known for his devotion to Mary and a proponent of the Message of Fatima. Lastly, we again welcome Mr. Bill Sockey, custodian of the National Pilgrim Virgin Statue for the World Apostolate of Fatima USA, for an afternoon talk on Fatima.

Based on the survey and suggestions from last year's Congress, we planned more time for Confession, prayer, and veneration of the statue (in fact, you can do your First Saturday Confession and prepare for Divine Mercy Sunday). We will begin our day with Mass at 8:00 A.M. and complete the First Saturday devotion later in the program rather than at 7:30 A.M. as in prior years. The atmosphere will reflect the joyous season of Easter as we welcome again the National Pilgrim Virgin Statue, which will remain at St. Joseph's throughout the day and evening for private veneration.

We hope you will join us on this special day and encourage you to invite your friends, family, neighbors, and young people to come and perhaps hear the Message of Fatima for the first time. Having the Pilgrim Virgin Statue in our midst is also a powerful spiritual experience for many.

MEET OUR NEW BOARD MEMBERS

Mary Fier is the mother of seven children and has been married to Don for 35 years. They are members of St. Agnes Church and she met Don while teaching grade school at St. Agnes. After their first child was born, she became a stay-at-home mom and would not have had it any other way.

Mary and Don joined a Fatima Prayer Cell early in their marriage and later she and a group of friends started another Prayer Cell for moms with young children. She has been very active in volunteering her help for WAF events for the past few years and looks forward to continuing to help with the Marian Congress, National Pilgrim Virgin Statue tour, Communion Breakfast, and proofreading the newsletter and anything else the Apostolate might publish. Mary is happy to have been elected to the WAF Board of Trustees and expresses her profound thanks for the prayers and support of all WAF members.

Mark Hugo is a cradle Catholic who, as a child (at the risk of aging himself), loved to attend the pre-Vatican II Mass. He feels blessed to be able to do so once again at St. Augustine Church in South St. Paul, where he and his wife Janice are long-time members. They have lived in Apple Valley for 27 years and have two grandchildren, ages 3 and 5, whom they treasure spending much time with.

Mark has volunteered his help for various WAF functions including the celebration of the "Year of the Eucharist" event in St. Paul in 2004 and a number of Marian Congresses. He considers it a great privilege to be able to serve on the Board in parallel with his wife and hopes, with the help of our Blessed Mother, to be able to make a worthy contribution to the Apostolate. Mark has a great desire to make as many people as possible aware of Our Lady of Fatima's urgent message.

Sue Ryan is a native of St. Paul, is single and has never been married, and lives in a small apartment in the Highland Park area. She works for the Department of Natural Resources (DNR) as a circulation manager for the *Minnesota Conservation Volunteer* magazine, the DNR's official publication about outdoor recreational activities throughout Minnesota. She has been with the DNR for nearly 35 years.

Sue is a parishioner at the Church of St. Mary downtown St. Paul where she has been a member for eight years. She is extremely active in parish life, serving as a lector, Eucharistic minister, altar server, sacristan for their Saturday afternoon Mass, coordinates weddings, and volunteers as a host at many fund-raising events. She also serves as the Leader for St. Mary's Fatima Prayer Cell.

Sue enjoys playing the piano, is a cross stitch enthusiast, and an avid reader. She is very excited at being given the opportunity to work with WAF Board members and expresses her thanks for being entrusted the position of Secretary.

COMMUNION BREAKFAST AND ELECTIONS

BY JAN HUGO

The annual Communion Breakfast and elections for our Archdiocesan Division's Board of Trustees was held on November 19, 2012, at the Church of St. Augustine in South St. Paul. The morning started with the Rosary followed by the celebration of Holy Mass. Delegates then assembled for a delicious breakfast in the basement hall.

Todd Ziesmer served as facilitator for the elections to fill seats being vacated by three Board members whose terms had expired: Don Fier, Annette Alfonso, and Kathleen O'Hern (who decided to seek re-election). In addition, three two-year terms were up for election to fill positions vacated by Connie Schneider and Sue Weyandt (who resigned to focus more exclusively on *Children of the Eucharist*), and Donna McAndrews (who had agreed last year to serve an interim one-year term for an unfilled Board position). New candidates were Tom Harrington, Mark Hugo, and Ann Wegleitner. Mary Fier and Sue Ryan were nominated from the floor.

Election results are as follows: Kathleen O'Hern, Mark Hugo, and Anne Wegleitner were elected to three-year

terms; and Mary Fier, Tom Harrington, and Sue Ryan were elected to two-year terms. (Note: Subsequent to the Communion Breakfast and after attending the December Board meeting, Tom Harrington decided he would be unable to serve on the Board. Tom recently accepted a new job position and after reflecting on its demanding requirements, he prayerfully discerned he would not have adequate time to do justice to a WAF Board position.)

President Don Fier highlighted the accomplishments of the Board of Trustees for the past year and also spoke about future priorities and upcoming events. One of the main tasks of 2012 was a careful review of the WAF Constitution and Statutes in lieu of the World Apostolate of Fatima being raised to the status of a Public Association of the Faithful. Delegates voted to approve a revision of the Constitution which was drafted by Fr. James McConville, JCL, who serves on the Archdiocesan tribunal.

Treasurer Barb Ernster presented the Fiscal Year 2012 Financial Report and reported that the external Finance Committee had formally approved it at a

meeting earlier in November. Kathleen O'Hern presented the new Vigil of Reparation booklet and Todd Ziesmer, who serves on the WAF USA Board of Trustees, gave an update on activities at the national level.

The meeting concluded with a special acknowledgement to our outgoing President, Don Fier, who agreed to advise and assist the Board in a "behind-the-scenes" mode. Flowers were presented to Annette Alfonso and Donna McAndrews for their many years of exemplary service to the WAF.

The Board of Trustees held its election of officers at a Board meeting on December 4, 2012, with the following results:

President: Barb Ernster

Vice President: Todd Ziesmer

Secretary: Sue Ryan

Treasurer: Janice Hugo

Please keep them and all WAF Board members in your prayers.

The Board of Trustees extends a special thank you to all of the volunteers who generously gave of their time and talent to organize and serve at the Communion Breakfast.

FAREWELL MESSAGE

Dear Members of the WAF,

Praised be Jesus Christ!

I wish to express to all of you what a great privilege and blessing it has been to serve on the Board of Trustees and as the editor of the WAF newsletter for the past six years. I am especially grateful for having been entrusted to serve as President for the past two years and hope that I have contributed in some way to the work of Our Lady's Apostolate.

About a year and a half ago, I agreed to take on a challenging project: the research and writing of a definitive biography on the Servant of God, Fr. John A. Hardon, S.J. The Cause for Canonization of this holy Jesuit priest was initiated by Raymond Leo Cardinal Burke in December of 2005. Although I met Fr. Hardon in person only once in the early 1990s at

a Marian Congress, I have admired him and listened to literally hundreds of hours of his tapes and CDs on the Catholic Faith over a period of 30 years.

More recently, and as a direct result of my Fr. Hardon project, I was asked to write a regular column for *The Wanderer* newspaper on the *Catechism of the Catholic Church*. I agreed, and indeed draw upon Fr. Hardon's voluminous written works on the Faith for my articles each week.

Along with my other duties, I found myself with too many things on my plate and have been unable to make acceptable progress on Fr. Hardon's biography. After spending much time in prayer and seeking the counsel of my Spiritual Director, it was with mixed emotions that I made a decision this past fall to not seek re-election to the WAF Board.

In God's Providence, however, Our Lady has provided wonderfully with the election of Barb Ernster as the new President. After working with Barb for the past five years and witnessing her obvious love for Our Lord and Our Lady and her tireless efforts to spread the Message of Fatima, I could not think of a better person to step in as President. Barb is also blessed to have a wonderful group of Board members working at her side.

In closing I have one request for WAF newsletter readers. Please say a *Memorare* (Fr. Hardon's favorite prayer) for the success of my work. And know that I will continue to assist with the work of the World Apostolate of Fatima, but in a smaller, less visible way.

In the Hearts of Jesus and Mary,
Don Fier
